ABOUT ME

Hi,
Welcome to my profile my name is Akande Tunji. I am a professional UX-UI designer graphic designer, Full stack Website (MERN) and website developer (HTML CSS and Javascript). My Speciality is in making websites on the basis of UX-UI, Full Stack (MERN) web app and graphical aspect. I have been doing this work for quite some time and I will provide you with the great services in simple and innovative way.

WORK EXPERIENCE

Abaris

Mid level | Web developer
New Delhi , India
2022-12-01 | 2023-02-01

I work as an assistant coach for fixing websites bug and setting up web sites for development. Since I'm a full stack web developer in (MERN) mongodb, express, reactjs and Node.js. I work on both frontend and backend api but mostly on backend api and integration of libraries to frontend side.
